## About Sales Training by Design, Inc

*“I wanted to write and say THANK YOU! ...my technicians and staff are armed with a “toolbox” of knowledge to help them grow personally and professionally...Our sales are up 41.6% for the year compared to last year’s numbers.”*

**John W. Adkins, II**

Owner, Four Seasons Pest Control

*“I wanted to thank you for the consulting work you have provided my pest management firm. We are thrilled to report we are up 20% in our first half! Implementation of a few key changes in our operations, which you brought to our attention, was the primary contributing factor. Patrick, thanks again for your insight.”*

**Jerry Smith - CEO**

Dial Pest Control Co., Inc.

I’m Patrick Quigley, founder of Sales Training by Design, Inc. Whether you’re an owner, manager, sales rep, CSR or technician in the field my job is to help motivate and inspire you to meet and exceed your goals in our industry. I’ve spent more than three decades in Pest Management and come highly qualified to help you solve your greatest challenges. Right now, PMP’s - just like you - are investing in my consulting, sales training and business coaching solutions to make more money in less time, dominate their local marketplace and position themselves for massive success.

### Are you ready for massive success?
